**County Event Time**

The Suwannee County Fair is wrapping up and has been a great success. As the fair closes, our attention now turns to County Events.

County Events will be on Saturday April 25 starting at 9am. All of the entry forms have been turned in and everyone has been practicing their speeches, demonstrations, share-the-fun acts, and fashions. Remember that all pictures and posters must have a certification statement attached to the back of each entry. The theme for all posters at County Events this year is the Florida 4-H Centennial.

April also means that state judging contests are coming. The state livestock judging contest is on Saturday April 4 and the state meat judging contest is on Saturday April 18. Also, the College of Agricultural and Life Sciences (CALS) at the University of Florida is hosting Gator Encounter; an event aimed at high school students showcasing all CALS departments and majors. Call the 4-H office for more details.

If you have any questions, comments, or concerns about Suwannee County 4-H, please don’t hesitate to contact me at 386-362-2771 or bestevez@ufl.edu. Good luck!
