Dog Days and Day Camps

Do not let the extreme heat outside prevent you from enjoying the many day camps that Suwannee County 4-H has to offer. If you are looking for something to do this summer, Suwannee County 4-H has it. Maybe you want to learn more about water quality, or maybe it is milk production, or maybe even why having good credit is so important, then our camps are for you!

We have already had two outstanding camps, Hamburger Day Camp and Life 101, with over 37 participants attending. We also had nine campers spend the week at 4-H Camp Cherry Lake. Make sure you sign up to go next year as we had a great time canoeing, swimming, playing sports, and having a lot of fun.

The 4-H banquet is right around the corner, so start planning now to attend on Friday August 14 at 6:00pm. If you turned in a record book or attended a state contest, look for an awards application in the mail soon.

If you have any questions, comments, or concerns about Suwannee County 4-H, please don’t hesitate to contact me at 386-362-2771 or bestevez@ufl.edu.
